**Vice President's Report – Karen Shelly**

Karen had nothing to report. Kathy S. read the Maka Flora report from Libby Knotts.

**Secretary's Report – Patrick Plantenberg**

Patrick reviewed Dave Hanna's concerns on the last meeting's minutes and read the revised minutes changes. The Board approved the changes. Patrick will send the revised minutes to Bob for the website. Patrick asked for updates to the address list.

The Board discussed the need for changes to the by-laws on job sharing and unanticipated future expenses. The Board decided that there was nothing in the by-laws that prevented job sharing and that e-mail voting on budget changes between meetings has never been controversial. If an e-mail vote is contested, the vote will have to wait until the next meeting. The Secretary will summarize what has been approved since the last meeting at the next meeting so the changes get in the minutes. No budget changes have been approved since the last meeting.

Two minor by-law edits were identified. Patrick will send an article to Caroline for the newsletter on the edits. Patrick will send an election ballot and article to Caroline by March 10.

**Treasurer's Report – Jenny Tollefson**

Jenny submitted an annual balance statement as of 12/31/115, and a 2016 budget summary. Some questions were discussed about the Budget Summary. Jenny will review to clarify. Suggested changes were made to several line items for the proposed 2016 budget: Website \$350, MWA \$100, Donations column adjusted, publications \$400, and annual meeting \$5,000. The \$500 Chapter loan for the annual meeting will be added as a line item.

### **Newsletter Editor Report – Caroline Kurtz**

Caroline reviewed deadlines and discussed pay. \$150 increase was approved last year. Everyone is happy with the Newsletter.

Chapters will get one check from the state in December.
